Here's what's been happening on the ranch...

HOWDY, PARDNER!

Happy May! WOW! It always surprises me how quickly the month goes by. This new month is going to FLY right by. Before we know it, it'll be summer break. This week we don't have too many extras going on which is a little odd for this time of year. We'll just keep plugging away learning all the first grade things they need to know! I hope you've noticed their reading progress! I'm so proud of how far they've come. Near the end of the month I will "officially" test them with two formal tests to see where they're at. I hope you're as proud as I am! Thank you to everyone who came to chapel Friday! The kids were so excited and it's extra special to see familiar faces in the audience. 😊
